INVESTMENT OBJECTIVE

The Ether Fund is a closed-end fund incorporated in Canada. The Fund seeks exposure to digital currency ether (ETH) and the opportunity for long-term capital appreciation. The Fund will invest in long-term holdings of ETH to provide investors with a convenient alternative to a direct investment in ETH. The Fund will not speculate with regard to short-term changes in ETH prices.

DISCLOSURES: THESE MATERIALS AND THE INFORMATION CONTAINED HEREIN, IS RESTRICTED AND IS NOT FOR PUBLICATION, RELEASE OR DISTRIBUTION, IN WHOLE OR IN PART, DIRECTLY OR INDIRECTLY, IN OR INTO OR FROM THE UNITED STATES OR ANY JURISDICTION IN WHICH THE SAME WOULD BE UNLAWFUL.

These materials do not constitute an offer to sell or issue or the solicitation of an offer to buy or subscribe for securities in the United States or any other jurisdiction. Neither the 3iQ Corp.'s (the "Manager") nor the Fund's securities have been nor will be registered under the United States Securities Act of 1933, as amended (the "Securities Act"), nor under the applicable securities laws of any state or other

jurisdiction of the United States, and may not be offered, sold, resold, transferred or delivered, directly or indirectly within, into or in the United States, absent registration or an applicable exemption from, or except in a transaction not subject to, the registration requirements of the Securities Act and in compliance with the securities laws of any relevant state or other jurisdiction of the United States. No securities regulatory authority has expressed an opinion about these securities and it is an offence to claim otherwise.

There are ongoing fees and expenses associated with owning units of an investment fund. An investment fund must prepare disclosure documents that contain key information about the fund. You can find more detailed information about the fund in these documents.

Information contained in the prospectus or applicable offering documents, includes the investment objectives and potential strategies of the Fund, and a description of management fees, and other charges and expenses. You can find more detailed information about the Fund and its public filings available at www.sedar.com

You will usually pay brokerage fees to your dealer if you purchase or sell units of the Fund on the Toronto Stock Exchange or other alternative trading system (an “exchange”). If the units are purchased or sold on an exchange, investors may pay more than the current net asset value when buying units of the Fund and may receive less than the current net asset value when selling them.

Certain statements in this document are forward-looking statements, including those identified by the expressions “anticipate”, “believe”, “plan”, “estimate”, “expect”, “intend”, “target”, “seek”, “will” and similar expressions to the extent they relate to the Fund and the Manager. Forward-looking statements are not historical facts but reflect the current expectations of the Fund and the Manager regarding future results or events. Such forward-looking statements reflect the Fund’s and the Manager’s current beliefs and are based on information currently available to them. Forward-looking statements are made with assumptions and involve significant risks and uncertainties. Although the forward-looking statements contained in this document are based upon assumptions that the Fund and the Manager believe to be reasonable, none of the Fund or the Manager can assure investors that actual results will be consistent with these forward-looking statements. As a result, readers are cautioned not to place undue reliance on these statements as a number of factors could cause actual results or events to differ materially from current expectations.

Some of these risks, uncertainties and other factors are described in the offering documents for the relevant Funds under the heading “Risk Factors”. These factors – many of which are beyond the Manager’s control and the effects of which can be difficult to predict – include: no assurance in achieving investment objectives, loss of investment, volatility and fluctuation in value of cryptoassets, concentration risk, reliance on the Manager, no ownership interest in the cryptoasset portfolio, changes in legislation, conflicts of interest, valuation, significant redemptions, limited liquidity in the units, limited operating history, exchange rate risk, liquidity constraints on cryptoasset markets, tax risk, risks associated with blockchain networks and forks, risks associated with digital asset platforms and cybersecurity.

The forward-looking statements contained herein were prepared for the purpose of providing prospective investors with general educational background information about cryptoassets and the Funds and may not be appropriate for other purposes. None of the Fund or the Manager assumes any obligation to update or revise them to reflect new events or circumstances, except as required by law.
